

FISCAL NOTE

SB 3175 - HB 3224

February 23, 2004

SUMMARY OF BILL: Provides for vehicles used by commercial nurseries to be registered as farm trucks.

ESTIMATED FISCAL IMPACT:

Decrease State Revenues - Not Significant

Estimate assumes some vehicles used by nurseries would be eligible to pay the lower fee (\$19.53 for Class 1) for farm trucks rather than the current \$48.50 fee for freight motor vehicles under 9,000 pounds. The number of affected vehicles is not known but is estimated to be small and the decrease in revenues from registration fees is estimated to be not significant.
